To Whom it May Concern;

I hereby inform you that I've had the pleasure of meeting Lilian Viana about a decade ago. Since then we've been working together - live performances, music recording, commercials, voice-over etc. Lilian's exceptional talent, experience, versatility and commitment to self-improvement makes any job not only easy but also highly enjoyable.

I would definitely recommend her both on a professional and a personal level.

Should you have any questions, please don't hesitate to contact me at any time.

Sincerely yours,
